MENU FOR A CLEANER & HEALTHIER ENVIRONMENT

INSIDE ACTIVITIES (ACTIVIDADES INTERNAS)

Pour washwater into a janitorial or mop sink. Don't pour it out onto a parking lot, alley, sidewalk or street.

Arroje el agua empleada en la limpieza dentro del fregadero para trapeadores. No la arroje en los estacionamientos, callejones, veredas o en la calle.

Clean floormats, filters and garbage cans in a mop sink, or over an internal floor drain. Don't wash them in a parking lot, alley, sidewalk or street.

Limpie las alfombras, filtros y basureros en un lavadero para trapeadores, un desagüe de piso, u otro contenedor secundario. No los lave en el estacionamiento, callejón, acera o calle.

Recycle grease and oil. Don't pour it into sinks, floor drains, or onto a parking lot or street.

Recicle grasa y aceite. No los arroje en lavaderos o desagües de piso ni en estacionamientos o calles.

DID YOU KNOW?

It is illegal to discharge waste water or water containing soaps, detergents, cleaning products, grease, etc., into streets or curb inlets.

Curb inlets were designed to drain rain water from the streets to prevent flooding, but the same curb inlets can carry pollution (detergents, disinfectants, grease, trash, etc.) to the nearest neighborhood creek.

Storm drains do not remove pollutants.

OUTSIDE ACTIVITIES (ACTIVIDADES EXTERNAS)

Use dry methods for spill cleanup (sweeping, cat litter, etc.). Don't hose down spills.

Use métodos secos para limpiar los derrames (escobas, aserrín de los gatos, etc.). No utilize mangueras para limpiar los derrames.

Keep dumpster area clean and lid closed. Don't fill it with liquid waste or hose it out.

Mantega el área alrededor del basurero limpia y la tapa cerrada. No lo llene con desperdicios líquidos ni utilice la manguera.

Regularly clean up parking lots and the outside area surrounding the restaurant. Sweep up food refuse, cigarette butts and other trash and debris from outside areas.

Regularmente limpie los estacionamientos y el área exterior que rodea el restaurante. Barra los desperdicios de comida, las colillas de cigarrillos y cualquier otro tipo de basura y escombros en las áreas exteriores.
