### Excerpt from the City of Austell Code of Ordinances:

#### Section 20-54. Maintenance bond.

A maintenance bond, letter of credit, cash bond, or other equivalent form of security as approved by the City Attorney, running in favor of the City of Austell, in a minimum amount of five thousand dollars (\$5,000.00) or any amount equal to at least ten (10) percent of the actual construction improvement cost, whichever is greater, shall be posted with the City of Austell by all subdividers or persons where street or other improvements are made and offered to the City of Austell for acceptance and maintenance except as noted in this section. Twenty five (25) percent of the actual construction improvement total cost or five thousand dollars (\$5,000.00), whichever is greater, shall be posted with the City of Austell by all subdividers or persons where street or other improvements are made requiring bridges, box culverts, or pipes with diameters equal to or greater than forty eight (48) inches, and offered to the City of Austell for acceptance and maintenance. The maintenance bond, cash bond, letter or credit, or other equivalent form of security shall guarantee all improvements against defects in design, material, and workmanship and further guarantee that all such improvements shall be maintained in first class condition for the required period and faithful performance by the subdivider or other person of all provisions of this chapter.

- (1) Any bond, except cash bond, letter of credit, or other equivalent form of approved security shall be on forms supplied by the City of Austell and shall not be terminated or otherwise allowed to expire without at least thirty (30) days prior written notice to that effect to both the City of Austell and the subdivider or person. Such bond, cash bond, letter of credit, or other equivalent form of approved security along with evidence of payment of the required premiums shall by filed with the City of Austell.
- (2) Such bond, cash bond, letter of credit, or other equivalent for of security shall be posted prior to commencement of the maintenance bond period and following installation of the improvements and inspection and approval by the City of Austell of the method of installation. No final plat shall be approved or recorded by Cobb County or Douglas County and no lots shall be sold by the subdivider until and unless a satisfactory bond is posted.
- (3) Separate bonds required by this section shall be required for each subdivision unit, phase, or like entity approved by the City of Austell pursuant to this chapter.

(Ordinance of February 6, 2006)

#### Section 20-55. Maintenance.

The subdivider or person shall maintain all improvements in the subdivision to be dedicated to the City of Austell for a minimum of one (1) year from the date of written notification from the City of Austell commencing the one (1) year maintenance period of such improvements and inspection and approval by the City of Austell of method of installation, whichever is longer. No dedication of improvements shall be accepted by the City of Austell until the expiration of one (1) year from such date and inspection and determination by the City of Austell of such time that

all improvements are in first class condition and meet all City of Austell specifications and requirements in this chapter.

- (1) At the end of the maintenance period, the City of Austell may inspect the development, and shall inspect at the written request, submitted at the end of the tenth (10th) month of the maintenance period or thereafter prior to expiration of the maintenance period, by the subdivider or the person. If the improvements to be dedicated are free from defects and comply with City of Austell specifications and requirements under this chapter, dedication of the improvements shall be accepted by the City of Austell for permanent maintenance by the City of Austell. The subdivider or person shall be notified in writing of the acceptance and any security shall be released.
- (2) If upon inspection as provided in subsection (1) of this section, the City of Austell determines that work or repairs are needed in order for the improvements to meet City of Austell specifications or requirements under this chapter, the subdivider or person shall be notified in writing by the Public Works department of the deficiencies, failure to comply, or violations. Thereafter, the subdivider or person shall have sixty (60) days from receipt of such notification to correct such deficiencies, noncompliance, or violations. If the deficiencies, noncompliance, or violations are not corrected within such time, then the maintenance bond, cash bond, letter of credit, or equivalent form of approved security posted by the subdivider shall be forfeited and called upon up to the cost of the repairs or the total cost of correcting the deficiencies, noncompliance, or violations, then the subdivider shall pay any and all costs beyond bond coverage.
- (3) The subdivider shall pay to the City of Austell for each inspection, subsequent to the initial inspection provided under subsection (1) of this section, a re-inspection fee in amount set from time by the Mayor and City Council to defray the cost of inspection. A copy of the schedule of re-inspection fees shall be maintained in the office of the City Clerk and the Public Works department.
- (4) If a period of eighteen (18) months elapses from the commencement of the maintenance period for any subdivision and defects, noncompliance, or violations still exist to the extent that the subdivision has not been accepted by the City of Austell, the City of Austell is authorized to withhold the issuance of any and all permits or to refuse any inspection to any subdivider or person on the project in dispute or any other project in which the subdivider or person have a financial interest, or both, who violates or fails to comply with this chapter.
