

I. T. AND LODEMIA TERRELL COMMUNITY GARDEN GUIDELINES AND POLICY AGREEMENT 2016 PLANTING SEASON

Introduction

Welcome and thank you for your interest in community gardening! The following guidelines allow all gardeners to cooperate and maximize their enjoyment and success in this garden. By your consent, you have access to the growing trend of urban agriculture and are participating in a shared responsibility.

The I. T. and Lodeamia Terrell Community Garden is administered under the jurisdiction of the City of Austell Public Works Department. Therefore, please be aware that the operation of this garden is regulated by municipal codes and the rules and responsibilities stated below.

Rules, Terms, and Conditions for Participation

1. The fee for the use of a garden plot will be established each year by October 1 for the following January through December. Fees will be due by December 31. There are no refunds.
2. At the start of each year, a list of the approved types of pesticides, herbicides, and fertilizers will be distributed and must be followed.
3. Plots cannot be “given away” or “sublet.” If you no longer wish to participate, you will timely notify the garden manager.
4. Plots will be timely planted and maintained during the normal growing seasons for Georgia. During the growing season, the plot cannot be left untended for more than two weeks, more than one time per year.
5. Plants will be kept within the limits of your plot. Tall plants (over six feet) are discouraged as they may shade someone else’s plot.
6. Your plot and surrounding area will be kept free of weeds, pests, and diseases.
7. Trash will be separated into three groups: 1) dead plants, leaves, and other green waste plant parts, 2) rocks, stones, and other inorganic natural matter, and 3) paper, plastic, cardboard, wood, metal, etc. Trash will be disposed of only in the areas designated specifically for each.
8. I will not bring household trash, garbage, or recyclable material and leave it at the Garden.
9. No invasive plants or illegal plants are allowed in the garden (see list handed out at the beginning of each growing season).
10. I will not smoke, drink alcoholic beverages, or use illegal drugs while in the garden or on City owned property.

11. Pets and other animals are never allowed in the garden except for certified service animals.
12. Guests and visitors, including children, may enter the garden only if you accompany them. They must follow all rules, terms, and conditions stated here.
13. I will not make duplicate keys of any locks at the garden or give my key or lock combination to any other person.
14. I will not take food or plants from other gardeners' plots. I will not take anything from the garden that is not rightfully mine.
15. I will not enter other gardeners' plots without their express permission. I will not allow my guests or children to enter other gardeners' plots.
16. I will respect other gardeners, and I will not use abusive or profane language. Violent behavior of any sort will not be permitted.

Breaking any rules, terms, and conditions is cause for exclusion from the Community Garden and loss of your plot.

- You will receive one verbal warning from the designated garden manager.
- If no response or correction has been made, you will receive written notice two weeks later.
- If, in another two weeks, no response or correction has been made, you will receive written final notification that you have forfeited your gardening privileges and plot. Appeals of decisions are made to the Austell City Council.
- You will not be allowed to reapply for another plot for one year, and then only with the written permission of the City of Austell Public Works Department.
